Testimony of Unconditional Love of Jesus Christ

These lovely ladies are professors and collaborators of Water For Life. They are all excited by the new arrival of dozens of big boxes filled with schoolbooks that they hurry to cover with plastic to increase their durability.

These books are proof that love is truly the source of miracles. Love is indeed what gives us wings to fly to the high peaks and to cross obstacles.

Alongside all the wonders that God accomplishes every day in their lives through quality education and free meals they receive every school day, once again, students of Divine Help School of Paswadòm will receive gifts of Unconditional Love manifested through generous donors.

Thanks to many of you, 354 first through ninth grade children from very economically vulnerable families will have the pleasant surprise of receiving free schoolbooks this year.

Henceforth, thanks to your empathy towards them, they will be able to enjoy individual reading practice and hand back their homework on time.

We praise our Lord Jesus for all of you donors and prayer partners who contributed to make those precious little sons and daughters of God experience the Love of Jesus and unconditional love for one another. All together, we are fulfilling the prayer of Jesus to the Father for us who believe in Him: *"I have given them the glory that you gave me, that they may be one as we are one. I in them and you in me—so that they may be brought to complete unity. Then the world will know that you sent me and have loved them as you have loved me."* (John 17:22-23)

May God bless your hearts! May your compassion for the unfortunate children in Haiti be a living testimony of the unconditional love of Jesus Christ!

Fabrice's Village

This young boy (blue shirt) on the right holding the hand pump is one among many Haitian boys and girls our Lord Jesus uses to replicate the miraculous scene of using five pieces of bread and two fish to feed over five thousand people. In our October 2017 newsletter, we shared the story of young Fabrice riding a donkey when available or walking miles up and down the mountains to bring water to his family. If you know the reality of Haiti, you can understand the burden of a child daily carrying five gallon jugs of water up and down a steep rocky mountain, very often under a burning sun. It's not something done occasionally, once in a while. It's a task done twice a day for most boys and girls living in remote areas of Haiti. This is the type of situation that at Water for Life our field coordinator and the drilling teams could never get used to, often saying, "Oh God, why is it like this?"

As we remember when the disciples told Jesus to release the people because they were very hungry, Jesus asked them who in the crowd has some food. Among the 5,000 adults, without counting the women and children, only one boy offered the little he had without even knowing what they were going to do with his little portion. Jesus lifted it up to the Father to bless it, fed all the crowd, and 12 baskets of left-overs were still available.

Little Fabrice was that boy the Lord was using to bless this community with the little he had. He offered his obedience and the little energy he had to take on the daily chore of providing water to his family. He daily sacrificed part of his schooling, his childhood, to help his parents. We know for sure the Lord is seeing the sacrifices of the children in Haiti. We know for sure He gives them the obedience and the strength to go day after day, year after year, carrying jugs and jugs of water for their families. We know for sure the Lord Jesus lifts daily all the loving sacrifices of all the Fabrices living in Haiti and other parts of the world. We know for

sure the Lord blesses their sacrifices and provides for the needs of thousands. **Today the Lord has provided, through a donor, a well closer to Fabrice’s village where the entire community can get closer access to clean water.**

This is how the Lord is using the sacrifice of little Fabrice to bless his neighbors. This is what you donors, prayer partners, and Water for Life staff are about. We are the ones our Lord Jesus uses to pray for the needy people. We are the ones He uses little children’s sacrifices to provide the loaf of bread and fish to feed the hundreds of thousands of thirsty people, and to water the dry land, providing food for the needy people of Haiti.

It is such a heavenly team Jesus is making with us! Little Fabrice from that remote village offering his obedience and sacrifices; you donors very far away with selfless interest in Haiti, except being moved by the love and compassion of Christ, you staff of Water for Life giving yourself not for the sake of a paycheck, but working as unto the Lord. It must be GOD.

Thank you Father for opening our spiritual eyes so we can see the majesty of the Love of our Lord and Savior Jesus Christ. Thanks for choosing little Fabrice to teach us that no one and nothing is too small for you to accomplish your purpose. Thanks for all the donors, prayer partners and staff giving their prayers, money and time to demonstrate the unconditional love of Jesus Christ. Thanks for bringing us in the unity of the Spirit so the world can know Jesus is the One sent by the Father, and more and more people can come to Him. AMEN!!!

— July 2019 Statistics —

- Wells Drilled: 5
- Hand Pumps Installed: 6
- People Served: approximately 2,100
- Hand Pumps Repaired: 62
- People Served: approximately 21,700

Matching Funds Challenge:
Urgent Need FULFILLED!

We are so grateful to God and to you, our generous donors, who have helped us meet the challenge of raising the needed funds for the new drilling rig and a water truck! Truly we see this as God’s provision.

This will enable many more communities to benefit from Good Clean Water sooner! The rig should be delivered to us in Pennsylvania around the end of September. The tank for the water truck is being fabricated now. The completed water truck will be ready to ship at the same time.

All praise to our Father!!

From the President’s Desk

Greetings to all our wonderful friends!

Thank you for all your prayers for Water For Life, for our staff, and for all the people God has called us to serve! Praying to the Almighty God of the universe is the best and most powerful thing you can do. He is over all; He is in control of all things. Let us praise Him forever! Let’s praise Him for His faithfulness and kindness to all of us!

We thank the Lord also for providing the funds we need to purchase the well rig and water truck. The Lord has touched so many of you as you have given to help the poor. I was reading Psalm 91: 1-2: *“He who dwells in the shelter of the Most High will rest in the shadow of the Almighty. ²I will say of the Lord, ‘He is my refuge and my fortress, my God, in Whom I trust.’”* I want to keep learning how to rest in the shadow of the Almighty. I know that I can trust Him in every situation in my life.

So now as the Lord through you has provided funds for the well rig and water truck, I must keep resting and trusting Him to provide what is needed to continue on in drilling wells for more families and communities who continue to be in great need of good clean water.

Looking back, I see how God has always been so faithful to bring Water For Life to where we are today, so I must believe he will lead us all the way. I know it is God Who has directed our steps and put it all together. So thank you so SO much for listening to the Lord as you have given and prayed for this work that God has been directing to benefit those in need.

~Leon
