The Working Hands of God

While at a mobile clinic being held at Burin, Torbeck, this young woman on whom they are laying hands was diagnosed with invasive precancerous lesions of the cervix. There was nothing that our medical team could do to treat it on-site. Then the missionaries prayed with her. Fortunately, our limitations and weaknesses are opportunities for God to manifest His love and mercy. Thus, this sick lady, scared by illness, received in her heart peace and deliverance.

This day at Water for Life Mobile Clinic, Jesus came to offer Eternal Life to her and many more. That's how God gives the true healing that matters, that of the soul.

When you support the Water For Life Mobile Clinic Program you lay hands on hundreds of lost souls and bring them to the place where there will be no disease, no suffering, no death. You bring people to Christ, forgiveness, peace, joy, goodness, faithfulness and LIFE regardless of situations and circumstances.

On behalf of people living in remote villages in Haiti we thank you for being the working feet and hands of God.

Joy Restored!

In Aquin village South of Haiti, these children are coming back from the water pump newly installed a few meters from their home. They are very happy for they do not have to cross many kilometers of rocky road anymore to get to an unprotected spring.

It is a relief to see that these children have kept their candor despite the difficult conditions they face. See their cheerful faces; we can even almost hear their laughter!

Each new pump installed in a village restores joy and serenity to hundreds of children enslaved by the quest for water, the joy of being a child with freedom to play, and the serenity to perform chores with kindness.

Happy Meal for a Happy Future!

In the photo below, second graders are enjoying a lively conversation over a hot meal. You must believe that "Happy Meal" is not only at McDonald's!

Because of your generous gifts, nearly 500 students at Help From Above School enjoy the blessing of not being hungry on school days. With love, you contribute faithfully to feeding God's little ones.

The food you provide for them guarantees their growth, not only physically but also intellectually, considering that "One can't hear when the belly rumbles."

Indeed, for those children who arrive at school with an empty stomach, it is not easy for the teacher to get their attention before mealtime. At Help From Above School, the students are very grateful, for in other schools students are often sent back home because they are too hungry and collapse in the classroom.

Your prayers and financial support prevent children from dropping out of school. Thus, you are helping to train children to grow up to be honest citizens and good Christians.

Thanks again for setting your stone in the building of the kingdom of our Lord and Savior Jesus Christ.

From the President's Desk

Greetings once again to all our wonderful friends! Since the last time we communicated, things are mostly back to normal here in Haiti; people are able to purchase fuel and able to go to work. We do thank you for your prayers for Haiti and for all of us! Things are still unsettled as the deeper issues have not been resolved. But we want to keep our eyes on Jesus; He is the Solid Rock. I was reading in Proverbs the other day and came upon this gem, Prov. 9:10—*The fear of the Lord is the beginning of wisdom, and the knowledge of the Holy One is understanding.* (NIV) It seems that if we want to grow in wisdom, we need to have the fear of the Lord first. This doesn't mean we are to be afraid of Him, but rather to reverence (deeply respect) Him, adore Him, recognizing Him as Creator of the Universe including us. We stand in awe of Him Who loves us so very much! He did so many miracles while here on Earth that John tells us, *"If every one of them were written down, I suppose that the whole world would not have room for the books that would be written!"* John 21:25 (NIV) As we focus on Him and His majesty, we will grow in wisdom and knowledge. So remember—if we want true wisdom, we need first to acknowledge our Lord as King of kings and Lord of lords.

Last week we did a mobile clinic and I got to spend some time there talking to people, sharing the love of God with them and encouraging them. The children just loved to hold on to me! They were so attentive as I shared with them how much God loves them. They enjoyed feeling my hairy arms, which they aren't used to seeing! 😊 It was a wonderful weekend, seeing all the people who were able to benefit from the clinic.

Please keep praying for the country of Haiti, because one day we believe there will be a breakthrough to the Lord.

We love you all! Be open to receive all the blessings the Lord has for you today!

~Leon

Once again, a little reminder that you can choose to receive your newsletter via email if you'd wish!

Contact us at waterforlife@hotmail.com with your email address.

— Baby Bundles Needed! —

At our mobile clinics, we seek to put into the hands of pregnant moms a baby bundle filled with things they will need and want to have on hand when the baby arrives.

If you or your church group would like to participate in preparing some, please contact our Iowa office for a list of what goes inside them. Any amount is greatly appreciated! Thank you so much for your interest and participation!
