Physical Suffering that Leads to Healing of the Soul

Sarah is 11 years old and she endures the most common and most severe form of sickle cell disease. Her blood cells tend to cluster together and stick to the lining of her blood vessels, making it difficult for them to move through capillaries. These clusters create blockages in Sarah's small blood vessels, stopping the movement of healthy, oxygen-carrying blood. This blockage decreases oxygen delivery to her tissues, which causes pain and organ dysfunction.

Visits to hospitals became the daily life of this poor girl who arrived to us totally dehydrated, in excruciating abdominal pain. She had not eaten for more than 48 hours because eating exacerbates her stomach pain even more.

During her on-site treatment (analgesics and IV fluids) at our mobile clinic outreach, Sarah seemed so serene and confident. After completely recovering from her pain, she shared with us her faith in Jesus Christ. She told us that Jesus is and will always be her greatest friend, for with every vascular occlusion or any other medical complication she went through, when she prays, He always comes to heal her. Our Lord Jesus is awesome! As He uses you as prayer and financial partners, and the medical staff to relieve Sarah's pain, she was such a living model of trust amid pain.

Through her illness, little Sarah has found a faithful friend in Jesus Christ. This little girl's life of patience in suffering is teaching us to remain confident and at peace, knowing that God is the Help that never fails.

That clinic day was the answer to a little girl's prayer. Jesus came to Sarah again and it was through your devotion in helping the most vulnerable.

Thank you for relieving Sarah's suffering, and the suffering of more people, by supporting Water For Life Mobile Clinic Program. You bring people not only physical healing but also that of the soul.

Jesus said, "Let the little Children Come to Me and do not Hinder Them..."

God is faithful! Another school year ends for nearly 500 children. For more than 30 years, Divine Help School of Paswadòm has assisted the villagers in providing their kids with Christian educations and hot meals.

Because you care for them, these little ones have access to a learning place where they can freely develop their ability and their knowledge.

Yet these kids are still missing a lot to satisfy their need to learn, such as textbooks and teaching materials. Most parents are struggling to provide for basic needs such as food and clothing.

That's why these kids are grateful every day for what they have. And every morning at the time of prayer the entire school finds refuge and peace in the Word of God:

For I am confident of this very thing, that He who began a good work in you will perfect it until the day of Christ Jesus.
Phil 1:6 (NIV)

Indeed, God as the great Provider will never forsake nor forget these kids. And through your compassionate heart we believe that the students of Divine Help School of Paswadòm will continue to be witnesses of the blessings of our faithful Lord Jesus Christ. Thanks for responding to the Lord's command to bring the children to Him by supporting Water For Life School.

Currently, we are raising \$20,000 to provide over 300 students with textbooks and other learning materials for next school year. If you feel the call of the Lord, please contact us at our US address (at the top of this page).

From the President's Desk

Greetings to all our wonderful friends! Though we may not get to see you face to face, God has you in our hearts! We are so thankful for you!

I am also so thankful for all God is wanting to teach me. Right now God is wanting me to learn anew that I can trust Him, that He is trustworthy. That shouldn't be difficult, because God is my Father, and my Father is the Creator of the whole universe. He is our All-in-All, the All-Sufficient One, Who is totally trustworthy! There are too many times when I see the problems facing me as bigger than God's promises and provision. I thank God for His mercy and how He continues to teach me.

God is definitely the CEO of Water For Life. When I see what He has been doing, I know it HAS to be God!! That is why it is so exciting to look into the future and see all the things God has in mind to do through Water For Life. God says the world will know we are His disciples when we love

one another. So let's love and share with others. Thank you again for listening to the Holy Spirit and showing His love to the people of Haiti. We are always thankful to hear many of you tell us you are praying for Water For Life and the country of Haiti.

Let's keep resting in the Lord; He has everything under His control. May God grant you His peace and rest. He is trustworthy!!

~Leon
