Schedule of Events—Best Ball Scramble

Enjoy a day of Golf, Food and Friends!!!

7:00— Registration

8:00— Shotgun Start

Lunch at 12:30

A message from Water for Life

Water for Life is a non-profit organization that has been working in Haiti for over 35 years. God has been blessing us with well drilling projects over the years. We have drilled over 1,800 working wells providing clean water to over 630,000 people and over 90,000 livestock. We are grateful to have the second well drilling rig which will allow us to drill more wells and service more villages. We use GPS coordinates to record the accurate locations of the well.

Our Haitian employees go out with the service truck to keep them all in working order. With hundreds of people on a single well with a hand pump, it will break down in time. Most people in Haiti would have neither equipment, nor tools, nor parts to fix them on their own. We have wells that were drilled 30 years ago that are as good today as when they were first drilled. We consider maintenance a big part of our drilling program.

Most villages in Haiti have an urgent need for clean water. The Senior Administrative Team coordinates with the local communities to plan the drilling schedule and repair of the wells. Communities are required to give a small participation fee for this service, with the view in mind that local participation builds a sense of ownership in the project. Villages that are a ways away continue to come making requests for wells. We know the need is real. So as the Lord provides funds we will keep on drilling.

Entry Form

Sponsorship Levels

- Gold \$750.00 Hole Sponsor/Lunch
- Silver \$550.00 Hole Sponsor/Lunch
- Bronze \$300.00 Team Sponsor/Lunch
