The Gift of Water, The Heart of Christ

As we celebrate the birth of Jesus this Christmas, we reflect on His words:

"It is more blessed to give than to receive."

— Acts 20:35

"Do not forget to do good and to share with others..."

— Hebrews 13:16

Thanks to your generosity, communities in Pèlerin and Demion now have access to clean, safe water. Your support has turned hardship into hope.

★ Testimony from Jeudy Marie Louna

"My name is Jeudy Marie Louna, and I live in Pèlerin. I greet you in the name of Jesus. I am happy about the well that was built in our area, because we were truly struggling to find water. We had to walk more than one kilometer, and sometimes there were many people waiting their turn!"

Praise be to God—Water for Life and the donors gave us this well. We thank the entire team. May God cover you with blessings so you can continue this work in other communities. Once again, I thank you from the bottom of my heart."

★ Another testimony...

"My name is Sonide Moise and I live in Demion. In the past, it was very difficult for us to find drinking water. We used to rely on water from a canal meant for agriculture and livestock. The animals drank from it and left their waste in it. We had

no other choice but to use that water.

When the canal ran dry, we had to walk more than four kilometers to fetch water. It was a real struggle.

Today, we are filled with joy thanks to the donation of this well. We are deeply grateful to the donors, and we also give thanks to God for this blessing."

🙏 Your Impact

These stories are just two among many. Each well drilled is a testimony of faith in action—a reflection of Christ's love poured out through your giving. As we read in 1 John 3:17: *"If anyone has material possessions and sees a brother or sister in need but has no pity on them, how can the love of God be in that person?"*

Because of you, families are drinking clean water, children are healthier, and communities are thriving. This Christmas, your gift is more than a donation, it's a miracle.

From all of us at Water for Life, **thank you for being the hands and feet of Jesus**. May your holidays be filled with peace, joy, and the deep satisfaction of knowing you've shared His love in a tangible way.

Merry Christmas and God bless you!

When did your story with Water For Life begin?

My connection with Water for Life started quietly. I live in the Charrier area, and I had seen the office being built, but I didn't know what kind of work the organization did in the community. Over time, through neighbors who worked there, I learned about their areas of intervention and the different kinds of support they offer.

Later, Water for Life helped me cover my university fees. After

that, I wanted to give back by helping with children’s activities at the Life Learning Center. I started as a volunteer in May 2023, and in November, I was hired as a children’s monitor.

How do you understand and appreciate the mission of Water For Life?

I understand the mission of Water for Life as something truly inspired by Christ. I believe He is the one who gave them this mission, because the changes they’ve brought to communities are deep and meaningful changes that only love can make possible.

How do you understand your participation in this mission?

I’m happy to be part of this mission, where I actively and positively contribute by helping children with their after-school activities. I support them in preparing for their future

and teach them how to live together in a spirit of love and brotherhood.

What impact has this mission had on your life?

This mission has had a very big impact on my life. It has taught me how to treat others with respect, how to support children in their daily activities at the center, and how to let go of any feeling that might make me think I’m better than others. The greatest impact is that I’ve learned to love others in a way I never imagined before.

From Leon’s Desk

Greetings to all our wonderful friends! Despite difficult circumstances, we had such a wonderful year in serving the people of Haiti! By the grace of God and with your listening to the Holy Spirit and your support, we were able to get water

— Support WFL via Estate Planning —

This time of year is a good time to review one’s estate plans. If you have already included a gift to Water for Life as part of your plans, thank you! If not, would you please consider joining other households who have done so? Our friends at Everence can assist you with ways you can support Water for Life.

Contact lyle.miller@everence.com
or your local representative for more information.

to many many people in numerous villages that had had no access to good clean water; we were able to feed the children in our school and bless people at our mobile clinics, sharing God’s love in many ways. Your gifts and prayer support have made it possible; Thank you SO MUCH.

Another year is almost over already! If you are reading this letter, you are still on this earth 😊 and Jesus still has things He wants to do through you. God is so good, and we need to remember that He can see the Big Picture and how we fit into it!

At this time of year especially, we think of what God had in mind in sending His only begotten Son to this world to be born as a helpless infant to a poor family and to live among the humans of that day, experiencing all that we experience—hunger, thirst, pain, temptation, disappointment, happiness, sadness. What he did not ever experience was the regret of a sinful decision or act, which made Him the perfect Lamb of God Who died to take away our sins, and when we accept Him as our Savior, we are given eternal life and experience His forgiveness! Oh, how wonderful! What a wonderful gift!

Our brothers and sisters in Haiti will mostly celebrate Christmas by attending a special Christmas service at their local church. Their hope and trust must be in Jesus alone, because there is nowhere else to turn. Hurricane Melissa brought destruction and loss of life to a number of communities. Please keep them in your prayers, that despite everything they can focus on Jesus and share His love with those in need all around them.

As I have said before, although our teams are free to do their work, getting supplies such as truck parts, containers, and so on plus food for the school is so much more expensive than several years ago. Thank you so much for your faithful prayers and support. We will rest in being assured that the Lord will speak to you as you pray and support His work. We are all His servants. Rest doesn’t mean we don’t do anything anymore; it’s a rest of the soul. “Rest fuels furious work!” (Louie Giglio) Not a work to earn salvation, but rather in gratitude for our salvation! Hebrews 4:9-10 says, *“There remains then a Sabbath-rest for the people of God. ¹⁰For anyone who enters God’s rest also rests from his own work, just as God did from His.”* Let’s rest in the Almighty.

I pray you all have a wonderful time celebrating the birth of Jesus! Let’s keep sharing God’s love wherever we go!

~Leon
